## SUMMARY

---

To obtain a position where I can effectively apply my technical skills and knowledge as a fresher. I aspire to join an organization that nurtures personal growth and provides opportunities for professional development.

## INTERNSHIP

---

### Password-Generator [CodeAlpha]

[Github Link](#)

It is a web application which generates the strong password for you. In this app I am using HTML, CSS, JavaScript technologies to build this project. This web app is hosted on the github [live link](#).

## PROJECTS

---

### Weathe web app

[Github Link](#)

A weather app is a web application that displays the current weather conditions and forecasts for any location in the world. It uses HTML, CSS, and JavaScript to create a user interface that is responsive, interactive, and visually appealing. It also uses an API (Application Programming Interface) to fetch the weather data from a third-party service such as OpenWeatherMap [live link](#).

### E-Commerce website

[Github Link](#)

This project is a full-stack web application. It uses the MERN stack, which consists of MongoDB, Express, React, and Node.js. MongoDB is a document-based database that stores and retrieves data in JSON format. The project uses various tools and technologies, such as ContextAPI, Bootstrap, and JWT, to implement features such as authentication, authorization, payment, cart, and order management. The project aims to provide a fast, secure, and user-friendly online shopping experience [live link](#).

### Design And Analysis of Microstrip Patch Antenna for UWB

This is my B.Tech final year project. This is a research topic that involves designing and simulating a microstrip patch antenna that can operate in the ultra-wideband (UWB) frequency range. A microstrip patch antenna consists of a metallic patch on a dielectric substrate with a ground plane.

## EDUCATION

---

2020 - present	Bachelor of Technology [ECE] from <b>SOET, CSJM University, Kanpur</b>	71.7%
2018 - 2019	Diploma Degree [DCA] from <b>AICSM, Bahadurgarh, HR</b>	88%
2017 - 2018	Class 12th from <b>U.P. Board Uttar Pradesh</b>	84%

## SKILLS

---

Technical Skills	C++, MERN Stack Developement, WordPress MySQL, UI/UX Desiging, Git and Github, MATLAB, MultiSim, CST Studio.
Soft Skills	MS Office (Word, Powerpoint, Excel), Problem Solving, Data Structure and Alogrithm, Computer Networks, OOP'S, Corel Draw, Photoshop.
